

MTA Conference 2025

Friday 16th to Sunday 18th May 2025

Trinity Academy, Bristol

Programme preview

Please note, this is just a snapshot of the full programme and further details will be shared in due course.

Teaching and Learning

- Developing Musical Understanding at KS3 - balancing creativity and academic rigour
- How the key to whole school initiatives can be found in the Music Department
- An exploration of **Music with Mr Gray's** YouTube resource and how it can be used in the classroom
- Jazz in the classroom with **Mark Armstrong**
- Building a co-curricular curriculum

Panel discussions and Leadership

- Teacher Training in Music in Primary and Secondary Schools
- Courageous conversations - mentoring student and early career music teachers
- Developing best practice for building partnerships across your school network
- Navigating the new reality in the independent sector

Practical sessions

- Building voices, building communities: cultivating outstanding school singing
- Gospel Choir singing with **Mark De Lisser**
- Getting started with Cubase
- Conducting workshop with a school ensemble
- Partnerships and choral commissioning with **Alexander L'Estrange and Kirsty Barry**

Mark De Lisser, Marina Gall, Mark Armstrong, and more expert speakers to be announced...

Lively Trade Fair

Between sessions, come and meet our corporate members and learn how they can support you and your teaching. This impressive gathering of organisations, all supporting music education, is one of the best places to source resources for your school.

Register before 31st March for early bird discounts!
